About me

I like solving interesting tasks and finding the answers for difficult questions myself, however do not afraid to ask for help or an advice. In all time of studying I've got two main problems, sometimes my code isn't working and I don't know why; and sometimes my code is working and I don't know why.

Work experience

I have finished next courses:

- [Полный курс по JavaScript + React](#)

- [Практический JavaScript (Продвинутый уровень)](#)

The code of my projects you can watch in my GitHub.

Languages:

My Englis is in the range of A2 PRE-INTERMEDIATE to B1 INTERMEDIATE; however, according to the [Efset online-test](#) it is from B1 INTERMEDIATE to B2 UPPER INTERMEDIATE
